

# BURIAL PLOT REGULATIONS

PLYMOUTH  
CEMETERIES &  
CREMATORIUM  
THE PARK | WESTON MILL  
EFFORD | LONGCAUSE | RIDGE CROSS

1. Each plot specifically provided for the burial of cremated remains is identified by the number and section reference.
2. Each plot size is 900mm x 900mm and may contain only 2 caskets.
3. All cremated remains must be placed in a biodegradable casket bearing the name of the deceased.
4. Cremated remains may not be scattered in this area.
5. The Council will provide all bases on which approved memorials may be placed at the expense of the person placing the order for the memorial.
6. No memorial may be placed without authorised approval.
7. All memorials shall be of natural stone and conform as follows:
  - Width: 300mm
  - Length: 450mm
  - Height: 100mm at head of tablet for a length of 150mm tapering to 50mm at foot. Vase(s) may be inset within the head area of the tablet.
  - Inscriptions: to be inscribed on the tapered portion only.
  - Plot Number: to be inscribed on the back of the tablet.
  - Trade Name: the name of the supplier may be displayed on the back of the tablet.
8. Each memorial tablet shall be set on the base provided in such a manner that there is an even width of border around the perimeter of the tablet.
9. No other item may be placed on or around the space. Any such unauthorised item will be removed and disposed of.
10. The planting of shrubs, bulbs etc. is prohibited.
11. The Council cannot accept any liability for damage to any tablet through any cause whatsoever, and all memorials are erected at the sole risk and expense of the owner thereof.
12. All spaces will be allocated in strict rotation. Selection of a plot cannot be permitted.

Fees payable are as stated in the current scale of fees applicable to the Plymouth City Council.
