In order to ensure that an inscription will fit onto the granite tablet, please note the following information:-

- The names are in a large typeface and take up more room on the tablet therefore only 18 letters are permitted on name lines only (see dotted line).
- If you require a further inscription on the tablet please ensure that enough lines are left for the inscription.
- We will centre the inscription on the tablet, the guide box is only to aid your choice of inscription.
- Don't forget to include spaces in your inscription. A space counts as a letter or number. The inscription must be clearly written in block capitals. We are unable to except responsibility for any incorrect inscription due to illegible or ambiguous writing.
