1. In order to ensure that an inscription will fit onto the granite tablet, please note the following information:-
2. The names are in a large typeface and take up more room on the tablet therefore only 20 letters are permitted on name lines only (see dotted line). Names can go on any line except lines 4 and 5. Two lines are allowed for the names. If three lines are needed line 8 may not be used.
3. Lines 4 and 5 may have only 20 small letters and/ or spaces. Other lines not used for names may have a maximum of 30 letters and / or spaces.
4. Do not forget to include spaces in your inscription. A space counts as a letter or number.
5. We will centre the text on the tablet, this guidebox is only to aid your choice of inscription.
6. The inscription must be clearly written in block capitals. We are unable to accept responsibility for an incorrect inscription due to illegible or ambiguous writing.
